- 445 new research grant awards totaling over \$40 million in 2016.
- Consistently in the top 5 universities nationally for number of startups per million dollars of research funding.
- One of 51 universities selected by the National Science Foundation to provide I-Corps customer discovery, which has funded 33 UNC Charlotte technology teams.

OUR IMPACT AND BUDGET:

- Our economic impact to the Charlotte region, including payroll, operations, construction and start-up companies, was \$2.1 billion in 2013.
- Annual Budget \$670 million.
- State appropriation \$232 million; tuition and fees \$287 million; private fundraising \$30.5 million.
- Undergraduate tuition and fees \$6,763 in-state; \$19,934 out-of-state.
- Recognized by Carnegie Foundation as a Community Engaged University.

OUR ATHLETICS:

- 49ers Athletic Department was ranked among the nation's top 50 NCAA Division I institutions, and tied for third in N.C. with a 92% Graduation Success Rate.
- 210 student-athletes were named to the 2016 Conference USA Commissioner's Honor Roll for maintaining a GPA of 3.0 or better.
- 18 Division I sports, including women's golf, which will begin competition in fall 2017.

2017 PRIVATE FUNDRAISING PRIORITIES:

- Access and scholarship - increase available funds to ensure that students have access to higher education to support their progress to graduation.
- Student experience - support development of diverse campus activities ranging from intercollegiate athletics to top quality arts and cultural programming to engage the community and inform the hearts and minds of our students.
- Faculty support - continually invest in recruiting and retaining the highest quality faculty to ensure the continued excellence of University programs.
- Transformational opportunities - build on our unique role in the region's economic development and, through programming like the Data Science Initiative, deliver tomorrow's community of professionals.
